Rolling in the deep (Adele)

- Go ahead and sell me out and I'll lay your ship bare
- Reaching a fever pitch, it's bringing me out the dark
- There's a fire starting in my heart
- Finally I can see you crystal clear

- There's a fire starting in my heart
- See how I leave with every piece of you
- And it's bringing me out the dark
- Reaching a fever pitch
- Don't underestimate the things that I will do

- They keep me thinking that we almost had it all
- The scars of your love remind me of us
- I can't help feeling
- The scars of your love they leave me breathless

Chorus

_____ could've had it all ----- **You/we**

Rolling in the deep

You ____ my heart inside of your hand---Had/have

And you _____ it ----- Played / paid

To the beat

- Think of me in the depths of your despair
- Baby I have no story to be told
- And I'm gonna make your head burn
- But I've heard one of you
- As mine sure won't be shared
- Making a home down there

- The scars of your love they leave me breathless
- The scars of your love remind me of us
- I can't help feeling
- They keep me thinking that we almost had it all

Repeat Chorus 2X

- You pay me back in kind
- We could've had it all
- Count your blessings to find what you look for
- And reap just what you sow
- We could've had it all
- Turned my sorrow into treasured gold
- Throw your soul through every open door
- It all, it all it all,

Repeat Chorus 2X
