MAKING MONEY ONLINE: A PRACTICAL GUIDE

Making money online is a real possibility if you approach it the right way. It requires time and consistency, but with the right strategies, you can earn extra income. Here are three simple ways to get started.

- 1. Offer Your Skills**
 Many websites connect freelancers with people who need services like writing, translating, or graphic design. You can find tasks that fit your abilities and work from home. Be sure to choose trustworthy platforms.
- 2. Teach What You Know**
 If you're good at a subject or skill, you can create video courses or offer tutoring online. With a clear camera and good preparation, you can share your knowledge and earn money doing something you enjoy.
- 3. Promote Products**
 Some brands pay people to share their products on social media. If you have followers who trust your opinion, you can recommend items and earn a commission on each sale. Start with products you really like.

Choose the correct alternative.
 What is the main purpose of the text?
 () To teach how to save money. (X) To suggest ways to earn money online.
